

## Herbal interactions for patients

Antifungal	Herbal interaction - As
	Apple cider vinegar
itraconazole	Unknown – no interactions found.
voriconazole	Unknown – no interactions found.
posaconazole	Unknown – no interactions found.
isavuconazole	Unknown – no interactions found.
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
casprofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.

Antifungal	Herbal interaction - Bs
	β-glucan
itraconazole	Unknown – no interactions found.
voriconazole	Unknown – no interactions found.
posaconazole	Unknown – no interactions found.
isavuconazole	Unknown – no interactions found.
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
casprofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.

Antifungal	Herbal interaction - Ks
	Kefir yogurt
itraconazole	Unknown – no interactions found.
voriconazole	Unknown – no interactions found.
posaconazole	Unknown – no interactions found.
isavuconazole	Unknown – no interactions found.
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
casprofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.

Interactions searched via: <https://naturalmedicines.therapeuticresearch.com/tools/interaction-checker.aspx#P>

Interactions key: Mild Moderate Severe

Antifungal	Herbal interaction - Ms
	Magnesium
itraconazole	Unknown – no interactions found.
voriconazole	Unknown – no interactions found.
posaconazole	Unknown – no interactions found.
isavuconazole	Unknown – no interactions found.
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
caspofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.

Antifungal	Herbal interaction - Ms
	Manuka honey
itraconazole	Mild, possible interaction. Use with caution until more is known about this interaction. <sup>1</sup>
voriconazole	Mild, possible interaction. Use with caution until more is known about this interaction. <sup>1</sup>
posaconazole	Unknown – no interactions found.
isavuconazole	Mild, possible interaction. Use with caution until more is known about this interaction. <sup>1</sup>
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
caspofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.

Antifungal	Herbal interaction - Ps
	Probiotics
itraconazole	Unknown – no interactions found.
voriconazole	Unknown – no interactions found.
posaconazole	Unknown – no interactions found.
isavuconazole	Unknown – no interactions found.
fluconazole	Unknown – no interactions found.
anidulafungin	Unknown – no interactions found.
caspofungin	Unknown – no interactions found.
micafungin	Unknown – no interactions found.
terbinafine	Unknown – no interactions found.
Amphotericin B	Unknown – no interactions found.
